Re: **Letter of Reference**

To Whom It May Concern,

This is to confirm that UNHCR has received consultancy services from the Institute for Education, Health and Development PLC (InEHD) in conducting a study entitled *"Socio-Economic Inclusion of Refugees in the National Systems of Ethiopia: An analysis of the Legal and Institutional Frameworks"* under Service Contract No.- CON/HCR/AA/2019/016.

InEHD was able to deliver the final report of the study irrespective of numerous challenges such as COVID19 and limited access to relevant data from informants.

Sincerely,

Charlotte Ridung

Assistant Representative (Protection)
